Sir,

Replying to your No 8698/907, dated 30th April 1897, I have the honour to state that if the subsistence allowance and Travelling allowance granted by the Mysore Government were withdrawn altogether, the Mysore scholarship holders would be on the same foot as other students. The subsistence allowance granted by the Madras Government is Rs 25, and I think it might be supplemented by the Mysore Government to the extent of say Rs 15
